

How to verify your identity using the Credas app

The Credas mobile app has been designed to be secure, quick and easy to use, enabling you to **verify in less than a minute.**

1

Receive an invite via email or SMS

2

Click the link to download the app

3

Enter your unique code

4

Enter your email

5

Check the details

6

Read & accept T&Cs

7

Select Take A Selfie

8 Take a selfie

A 2nd selfie performing an action proves that you're real

9 Copy the action

10 Select Scan ID

11 Select ID Document

Don't forget to have your photo ID to hand

i If you're unsure about what ID document(s) are required or why you've been asked to complete a verification, please contact the business that sent the request.

12 Scan ID Document

Make sure your ID is readable and clear with no glare or blur

13 Check the scan is clear

14 Click Submit

15 All Done!

No data is held in the app.

Simple. Slick. Smart.
